## 2022 Global Robotics Congress

*Smart Manufacturing of the Future*

MARCH 3, 2022 | 8:30am - 12:00pm

SMART FACTORY INSTITUTE

7469 Volkswagen Drive, Chattanooga, TN 37416

By unifying software, artificial intelligence and robotics, manufacturers will be able to optimize the workplace leading to more efficient management of material flows, better asset utilization and increased savings. Attendees of the the 3rd Annual Robotics Congress will learn what new affordable options are available in the robotics and automation space.

This year's event will be a hybrid event held at the Smart Factory Institute. Sponsoring this event will offer a unique opportunity to gain immediate exposure to a manufacturing majority audience. Choose from Presenting, Session, Gold, Silver or Ally sponsorship levels.
