Robotation Academy Foshan

About Us

Industry 4.0 Service Platform

Robotation Academy Foshan is the strategic platform of Shunde to develop the ecosystem of smart manufacturing and robotic industry. It is the main driving force for the transition and upgrading of manufacturing in Foshan and the whole South China, and a significant achievement of China Smart Manufacturing meeting "German Industry 4.0" .

Purpose of Foundation

- Assists in industrial upgrade in Foshan
- Foster the robotics and intelligent manufacturing industry
- Promote the Robotics + Exhibition Industry Ecosphere

System integrators
Robot manufacturers
Training agencies
Exhibition sponsors
Exhibitors.

Policy applying,
networking and
trainings for partners

INDUSTRY UPGRADING
INDUSTRY 4

Professional meetings and
specialized symposiums
to form social interactions.

Synergy in audience

Every 3 miles under the roof there is a hook, 136 points of which can weigh 2 tons, and 806 points can bear 100kg. Cables, fiber, water supply, compressed gas and other energy supply are placed in the underground integrated pipeline trench.

2号馆
Hall 2

1号馆 Hall 1 4号馆 Hall 4 5号馆 Hall 5

全国唯一地面荷载为10吨/m²
净展览面积约9000m²
单层展馆净高13.9米(最低)、18.8米
(最高)、平均15.9米

户外展区
Outdoor Exhibition Area

地面增加了承重设计，可以展示各种大型工业装备、机床和机器人等

With load bearing structure in the floor, so large industrial equipment, machines and robots can be exhibited.

出入口
Entrance

The exhibition centre is equipped with four entrances, including three truck exits.

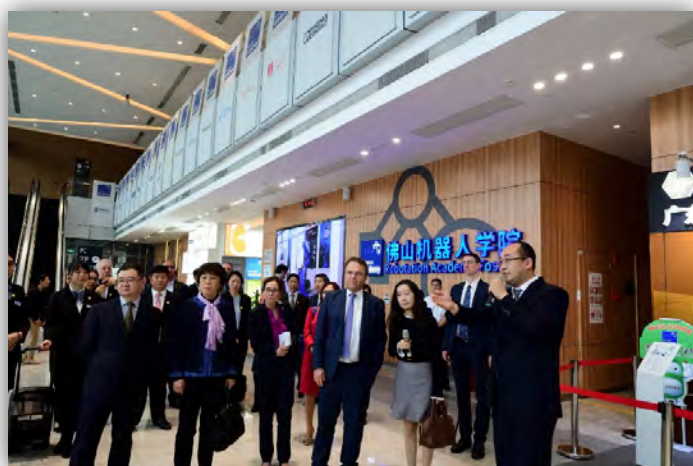

Conferences and Events

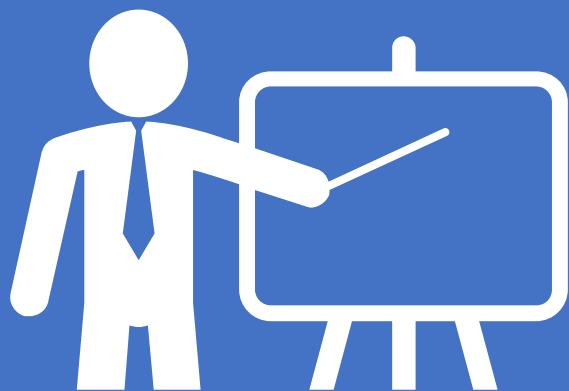

Robotation Academy Foshan learns from the international advanced manufacturing experience and brings the theme conferences and events to Foshan. Since January, 2018, Robotation Academy Foshan and Fraunhofer-Gesellschaft have co-hosted 30 large theme conferences, which cover various sub-industries of the traditional manufacturing industry, more than 11,000 Chinese and foreign visitors were received.

VIP Visit

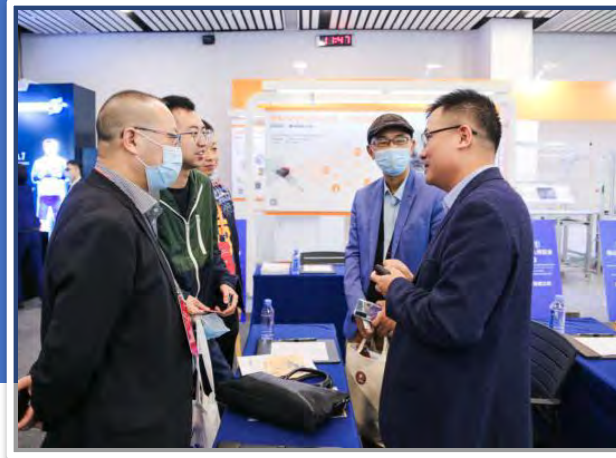

Technical Training

- ✓ Mechatronics
- ✓ Industrial automation
- ✓ PLC Programming
- ✓ Machinery safety

Industrial upgrading

- “German Industry 4.0” Demonstration platform
- Leading platform for Robot industrial ecosphere
- Innovation service platform for transformation and upgrading of traditional industries

Our Partners

Service Packages –Part 1

NO	Service description	VIP Partner
1	Eligible for exhibition space in the Robotation Academy Foshan	√
2	Opportunity to display the corporate image and LOGO of the partner at the entrance, on the light box of the corridor on the first floor and on the display board on the second floor of Robotation Academy Foshan	√
3	Priority to obtain the promotion opportunities and making presentations in activities organized by Robotation Academy Foshan.	√
4	Regular promotion services of official Wechat account and website of Robotation Academy Foshan.	√
5	Regular promotion of Partner' s publicity material.	√
6	Participation of high-level social events held by Robotation Academy Foshan as VIP guest, such as government reception and conference, annual meetings of the Associations, etc.	√
7	Assist partner in policy declaration	√
8	Resources of Intelligent manufacturing talents, technologies, projects etc.	√
9	Participation of tour of the Smart Factories domestic and overseas organized by Robotation Academy Foshan	√
10	Provide opportunity of product sales.	√

Service Packages –Part 2

NO	Service description	VIP Partner
11	Joint participation of exhibition with Robotation Academy Foshan	√
12	Free use of 103-107 multi-functional meeting rooms (about 40-55m ² /room), including supporting facilities such as lighting and audio equipment), lease at a preferential price after excess.	4 sessions
13	Free use of 201-203 conference hall (290-420 m ² /hall) , including supporting facilities such as lighting and audio equipment), lease at a preferential price after excess.	1 session
14	Post of the partner' s advertisements during the exhibition in the leasable non-host area (the specific location shall be determined separately).	√
15	Demonstration of corporate image of partner on the LED screen on the east side of the park house of Guangdong Tanzhou International Convention and Exhibition Center (beside the Foshan First Ring Expressway). An 15 seconds advertising video will be played about 200 times from 8:00 to 22:00 per day.	15 days
	Annual fee	20,000 CNY

Industrial Exhibition Schedule 2021

No.	Exhibition	Date	Area (m ²)
1	China Guangdong-Foshan International Plastics Industry Exhibition , 2021	3.10-3.12	10,000
2	RubberTech GBA 2021	3.31-4.2	10,000
3	International Automotive Industry EXPO 2021-Spring	5.1-5.5	40,000
4	China Foshan Machine Tool Exhibition 2021	5.13-5.15	40,000
5	2021 China (Foshan) International Ceramics Equipment and Materials Exhibition	6.3-6.7	45,000
6	China (Guangdong) International Internet Plus Exposition 2021	7.14-7.17	65,000
7	Guangdong Machine Tool Exhibition 2021	9.3-9.5	20,000
8	Guangdong Automotive Manufacturing Technology & Material Exhibition 2021	9.3-9.5	10,000
9	2021 6th Exhibition for Investment and Trade of Advanced Equipment Manufacturing in West Bank of The Pearl River	9.21-9.23	40,000
10	International Aotomotive Industry EXPO 2021-Autumn	10.1-10.5	50,000
11	China (Foshan) International Intelligent Robot Expo 2021	12.3-12.6	50,000
12	Sichuan Equipment & Intelligent Manufacturing International Expo (Deyang Sichuan)	7.6-7.8	20,000

- ✓ Joint participation of exhibition with us. Publicity in various forms during the industrial exhibitions.
- ✓ Priority to obtain the promotion opportunities and making presentations in activities organized by Robotation Academy Foshan.
